

Provide a better
STARTING POINT
for Canadian university planning...

HELP STUDENTS GET THE FACTS!

The *Directory of Canadian Universities* is the authoritative guide to Canadian universities, and a valuable resource in helping students get started on making an informed decision on post-secondary studies.

Updated annually, this one-of-a-kind bilingual guide is published by the Association of Universities and Colleges of Canada, a trusted source of Canadian higher education information.

The *Directory* is used by counselors, students, libraries and the academic community as a central reference source of university information!
